of Furniture ar Housefurnishings

Monday opens the last week of this great three weeks' sale. This has been the most successful furniture sale in recent years, and it is safe to predict that it will be many months before its like can be repeated. The values given have been truly astonishing, and the third week will see even better values than before. The selling has been so tremendous that an accumulation of odd dining furniture and odd chairs has been a natural result. These we place on sale Monday morning at a great sacrifice in order to clean them up completely. These prices are bound to do it, and early, very early, shopping is advised.

Our Growth

We have just finished our new warehouse addition, giving us more than 34,000 square feet of warehouse room alone. This added to our retail department of four floors, basement and mezzanine floor aggregating 35,000 square feet, gives us a total of nearly 70,000 square feet or more than double the floor space of any similar store in El Paso. This store is an El Paso institution being the result of nearly 20 years of fair treatment of the public and we will continue to grow for the same reason.
